### **NOTE:**

There are no residence facilities available on site.

The Niagara Parks Botanical Gardens and School of Horticulture is located on the Niagara River Parkway. When coming from Toronto on the QEW, exit at #405, take the #405 to Stanley Avenue, and use the Service Road to the Niagara Parkway, following the Butterfly Conservatory signs. At the Parkway, turn right travel past the floral clock and the generating station. The entrance to the Botanical Gardens and School of Horticulture is on the right about half a mile after that.
